

Summer Plays from Reception, Year 2 and Year 4

We were treated to some fantastic summer plays last week from Reception, Year 2 and Year 4! What a talented group of children we have! Reception retold the classic tale of 'Jack and The Beanstalk' for their parents to enjoy. The children did fantastically well with learning their lines, singing songs and performing dances! Year 2 performed 'Pirates Vs Merpeople'. Parents were taken on a swashbuckling adventure with a band of brave pirates, a hungry crocodile, a crew of feisty merpeople and one lively parrot! The children gave a fabulous performance and sang with great gusto! Year 4 delighted the audience with 'The Wind in the Willows', showcasing their excellent singing and dancing skills! Well done to all the children and staff involved!

We have been **Shortlisted for the Independent Schools of the Year** award for Small Independent School of the year

Upcoming Events

Friday 27th September is our next Open Morning. Please book your space via our website: www.kewcollegeprep.com/admissions/open-mornings/

Thursday 17th October is our next Stay and Play. Our Stay and Plays are free for any local parents or carers to bring their child aged 0-3 for a morning of fun! The sessions are led by our Head of Early Years, Mrs Fryer, and include toys and free play, singing, stories and of course, refreshments for parents. It is a great opportunity to get a feel for our school and to meet other local families. These are open to families with and without children at Kew College Prep. Please book your space via our website: www.kewcollegeprep.com/stay-and-play

Success at the ISA National Athletics Meet

Three of our keen athletes, alongside our Head of PE, Mrs Tabor, made the trip to Birmingham recently for the ISA National Athletics event. The girls delivered outstanding performances, including coming 5th in the 600m running, achieving 2nd place in the ball throw and an exceptional performance in the high jump, where we are proud to say we now have a national champion! The performances were truly impressive and showed how talented these girls are at their events! Well done to all the athletes involved, we are extremely proud of you!

Sports Day

In June we held our annual Sports Day! Tug-of-war kicked off proceedings, a real favourite and hard fought. All the children represented themselves and their Houses with enthusiasm and good team spirit, taking part in sprints, egg and spoon, sack, obstacle and space hopper races. The day was finished off with House relays and the very well attended parents' races. Well done to all who took part! This year the House winner was CONDOR. Well done to all the teams and to the staff for all their help on the day.

Rugby Masterclass and Kew Cup

Our Year 3-6 girls were lucky enough to have a tag rugby masterclass recently from Lizzie Musgrove, a Scottish international player. Lizzie and Vaughan took the girls through their paces with passing drills, defensive lines and games of 'bank'. The sessions was a great way to introduce rugby to the girls. The Year 5s and 6s formed a mixed team and entered the annual Kew Cup, including Broomfield House School, King's School, Kew Green Prep School and us. Our teams got into their stride, scoring tries and tagging well, eventually finishing as runners up and getting a silver medal. Well done to all that played and supported.

International Week

During our International Week, classes across the school explored countries from around the world, from Canada to Nepal, Egypt to Brazil. Reception Blue jumped into learning about Greece with much enthusiasm. They learnt Greek mythology for children, were introduced to Ancient Greek gods and tried a range of delicious food. In 4G, the children were treated to an Irish history and geography lesson and had a go at Irish dancing! 1W explored South Korea, learning about traditional Korean clothing, recreating artwork and even making their own traditional Korean game known as ddakji. In Year 2, the children excitedly wrote to their pen pals in Italy. There were also plenty of other brilliant learning opportunities taking place in other year groups all linked to flags, food, culture, language and more! The week culminated with children and teachers coming in wearing national dress. During the Parade of Nations, every year group paraded in front of the rest of the school, who clapped and cheered along. It was fantastic to see everyone representing the diverse cultures we have here at Kew College Prep.
